LETTER OF INVITATION

Visit to University of Ljubljana, Slovenia, for the period October 1- 7, 2017

Dear Professor ZHANG Xiaoshuan,

As discussed before, we would like to invite you and your colleagues to visit our university, University of Ljubljana, Slovenia, during the period October 1- 7, 2017. The visit covers a period of 7 days and is done on the behalf of the Chinese - Slovenia Bilateral Research Cooperation Project "Advanced sensing technologies and modeling for sulfur compounds in food cold chain traceability", code 11-13, approved in the 11th Session of the Slovenia -Chinese Scientific and Technological Cooperation Committee.

University of Ljubljana is honored to invite the Chinese specialists to visit Slovenia.

The delegation has 3 (three) persons*, as follows:

No	Name	Gender	Title	Institution	Passport
1.	ZHANG Xiaoshuan	M	Full Professor	China Agricultural University	PE0937578
2.	FU Zetian	M	Full Professor	China Agricultural University	PE0626120
3.	MENG Chaoying	F	Full Professor	China Agricultural University	PE1127647

During your stay in Slovenia, you will:

- exchange information regarding Advanced sensing technologies, food cold chain management, quality traceability;
- training activities in Advanced sensing technologies and traceability for agrofood cold chain;
- research visits at selected cold chain and the research institutes;
- Deliver lectures.

Looking forward to see you soon,

Project Coordinator:

Mira Trebar
University of Ljubljana
Faculty of Computer and Information Science
