

Brasilia, 12th April 2024.

Dear Professor Minli Yang,

It is my pleasure to invite you to attend the 2nd AWG Meeting of Brazil's G20 Presidency, in Brasilia, scheduled for April 29th and 30th, 2024, which will focus on Public Policies for Family Farming.

We would like to invite you to speak at the second session of the 2nd AWG meeting, entitled "Sustainable Mechanization of Family Farming for Productivity Increase and Food Systems Transformation".

This would be a 10-minute presentation on China's policies to support the mechanization of small-scale agriculture, particularly through access to small-scale agricultural machinery and equipment.

Your expertise in this domain will be invaluable in fostering enriching discussions among G20 member countries and invited delegations on how to enhance policy efforts to strengthen family farming worldwide.

We very much look forward to your participation, which will contribute significantly to the conversations at the 2nd AWG meeting of Brazil's G20 Presidency, and in facilitating the AWG's contribution to systematic knowledge exchange and policy coordination efforts on family farming.

We very much look forward to welcoming you in Brasilia and to the enriching deliberations ahead. Please accept the assurances of my highest consideration.

A handwritten signature in blue ink, appearing to read 'T. Cooper', is positioned above the printed name.

Thomas Cooper Patriota

Co-Chair of the Agriculture Working Group

Ministry of Agrarian Development and Family Farming of Brazil
